

Lock Eyes With Mine

Lock eyes with mine:
Gaze steady,
deep.

Dip into
my consciousness

Sip
my suffering
spasm upon spasm.

Address
My soul.

Relate
to my humanity.

Lock eyes with mine:

See in me
yourself

See in mine
your home
your child.

Taste
your future.
in my fate

Before you lock
your finger.

Before in haste
you pull
that trigger,

Lock eyes with mine.
